**GRADUATE COMMITTEE
Recommendation**

SR-92-93-(26)172(GR)

That the following **COURSE CHANGE** be approved:

CHM 548: Advanced Inorganic Chemistry I

The change involves adding a 2 HR laboratory component to the course. The number of credit hours for the course will be increased from 3 to 4. A new course description is given.

RATIONALE: Chemistry is an experimental science and laboratory work is essential for proper understanding of the subject. Justification for the increase in the number of credit hours is related to the addition of the laboratory component.

(Course change forms are available for inspection in the Faculty Senate office - Northcott Hall 209-A.)
